Kelso, Desha County	1	a.m.			0	0	4		Wind and rain Strong wind unroofed homes, damaged mobile homes, and blew down trees and television antennas. Heavy rain accompanied wind storm and homes and businesses were flooded.
Atkins, Pope County	1	6:15 p.							Funnel cloud Funnel cloud observed west of Atkins moving east.
Clinton, Van Buren County	1	6:40 p.							Funnel cloud Funnel cloud 8 miles south of Clinton. Movement unknown.
Near Gulon, Izard County	1	7:05 p.							Funnel cloud Funnel cloud observed moving northeast.
Jonesboro, Craighead County	1	7:17 p.							Funnel cloud Funnel cloud observed east of Jonesboro moving northeast.
Walnut Ridge, Lawrence County	1	7:23 p.							Funnel cloud Police department at Walnut Ridge reported funnel cloud they thought touched down twice but no evidence of damage.
Marshall, Searcy County	7	1:25 a.	3	150	0	0	5		Tornado Tornado touched down near Arkansas Highway 27 just outside of city limits and moved northeastward across the city. Houses were unroofed and one mobile home demolished. Tornado was seen by several persons as it skipped across the city.
Lakeview, Baxter County	7	1:00 p.			0	0	0		Hail Golf ball size hail reported at Lakeview on Bull Shoals Lake.
Clarkridge, Northern Baxter County	7	2:05 p.	2	100	0	0	4		Tornado Tornado hit Clarkridge Community damaging 5 homes, destroying out-buildings, and up-rooting trees. Path was northeastward to near the Arkansas-Missouri line.
Harrisburg-Trumann area, Poinsett County	7	6:45 p.	12	100	0	2	4		Tornado Tornado first seen as two funnel clouds at Harrisburg where one touched down briefly twisting a large tree off. It then moved northeastward touching down again near the Maple Grove Community southwest of Trumann. Two mobile homes and two barns were destroyed, trees were uprooted, and power lines blown down.
Lunsford - Lake City - Monette, Craighead County	7	7:00 to 8:00 p.							Funnel clouds

PLACE	DATE	TIME - LOCAL STANDARD	LENGTH OF PATH (MILES)	WIDTH OF PATH (YARDS)	NO. OF PERSONS		ESTIMATED DAMAGE		CHARACTER OF STORM
					KILLED	INJURED	PROPERTY	CROPS	
ARKANSAS (continued)	Several funnel clouds reported with movement of heavy thunder-storm across area. One funnel cloud followed from Lake City to Monette. None observed to touch down.								
Blytheville, Mississippi County	7	7:24 p.							Funnel clouds Three funnel clouds sighted southwest of Blytheville moving northeast. One appeared to touch down but no evidence of damage.
Springdale, Washington County	11	7:50 a.							Funnel cloud A funnel cloud reported by public at Springdale. Moving southeast.
Harrison, Boone County	11	7:50 a.			0	1	5		Wind and rain Strong winds blew down trees, damaged roofs and signs, blew down power lines. Eleven mobile homes in one lot were heavily damaged, and one camping trailer destroyed injuring one person.
Shirley, Van Buren County	11	8:30 a.			0	0	4	c	Hail Large hail, some reported as large as baseballs, fell in a narrow path across eastern Van Buren County damaging roofs and cars.
Heber Springs, Cleburne County	11	9:15 a.							Funnel cloud Funnel cloud reported by State Police 8 miles northeast of Heber Springs.
Pitts, Poinsett County	11	10:00 a.			1	0			Lightning Man on tractor plowing field was killed when struck by lightning.
Clinton area, Van Buren County	11	10:00 a.			0	0	?		Hail 1 3/4" hail reported by County Sheriff 5 miles north of Clinton.
Searcy, White County	11	10:12 a.							Funnel cloud Funnel cloud aloft reported by public 6 miles north of Searcy moving east.
Western Dallas County	11	12:40 p.							Funnel cloud Funnel cloud reported by public 15 miles southeast of Arkadelphia moving east at 50 miles per hour.
Moorefield - Sulphur Rock area, Independence County	19	After-noon			0	0	3	c	Hail Large hail up to golf ball size damaged roofs and automobiles, stripped leaves from trees, and damaged garden crops.
Newport, Jackson County	19	5:20 p.							Funnel cloud Funnel cloud reported 2 miles northeast of Newport moving east at 40 miles per hour.
Oak Grove area, Lonoke County	19	Late after-noon			0	0	3	c	Hail Golf ball size hail damaged roofs, signs, automobiles, and field crops.
North Little Rock, Pulaski County	19	6:40 p.							Funnel cloud Funnel cloud aloft sighted by off-duty Weather Service forecaster 10 miles east-northeast of North Little Rock moving toward the east-southeast at 40 miles per hour.
Almyra, Arkansas County	19	8:00 p.			0	0	5		Wind and rain Strong winds accompanied by heavy rain demolished hangar causing damage to several airplanes. Trees, power lines, and signs were blown down and homes and out-buildings damaged.
Pine Bluff, Jefferson County	19	8:00 p.			0	0	0		Hail Public reported 3/4 inch hail over northwest portion of Pine Bluff.
Batesville, Independence County	22	4:40 p.							Funnel cloud Funnel cloud reported by public 5 miles north of Batesville moving southeast.
De Queen, Sevier County	23	3:30 a.							Hail Large hail, size unknown, fell in the vicinity of De Queen. No damage reported.
Pocahontas, Randolph County	23	2:30 p.			0	0	?	?	Hail Golf ball size hail reported at Pocahontas.
Nashville, Howard County	23	2:40 p.			0	0	4	c	Hail and funnel cloud Hail up to 1 inch in diameter caused damage along a path 2 miles wide and 4 miles long from just northwest of Nashville east-

ARKANSAS (continued)									
			northeastward.	Funnel cloud aloft sighted 4 miles northwest of Nashville.					
Osceola, Mississippi County	23	3:58 p.	1 to 1 1/2 inch hail reported at Osceola.		0	0	?	?	Hail
Fort Smith, Sebastian County	24	7:30 p.	Funnel cloud reported by public in river between Fort Smith and Van Buren.						Funnel cloud
Russellville, Pope County	24	9:13 p.	Funnel cloud reported by public 15 miles northwest of Russellville moving southeast 30 miles per hour.						Funnel cloud
Hot Springs, Garland County	24	10:10 p.	Funnel reported by public and verified by police 2 miles west of Hot Springs. Did not touch down.						Funnel cloud
Garden, Ouachita County	25	2:55 p.	Funnel cloud reported by public at Garden. Movement was to the southeast at 35 to 40 miles per hour. Some golf ball size hail and some trees and power lines down but no other damage.		0	0	2		Funnel cloud, hail, and wind
Whitehall area, Jefferson County	25	4:32 p.	Funnel cloud reported by public 5 miles northwest of Pine Bluff moving east-northeast at 35 to 40 miles per hour.						Funnel cloud
Beaver Shores area, Benton County	26	5:00 p.	Tornado observed to form just southeast of Rogers and move north-eastward to Beaver Lake. One mobile home was demolished, other homes and resort property damaged. Trees along path broken and twisted.	5	100	0	0	5	Tornado
Cave Springs, Benton County	26	5:55 p.	Tornado observed as it moved northeast across farm uprooting trees and knocking down power line.	1/2	50	0	0	2	Tornado
Berryville, Carroll County	26	9:25 p.	Tornado struck west of Berryville destroying a mobile home, blowing down trees and damaging homes and out-buildings. As the tornado moved eastward a second mobile home was demolished leaving the steel framework and wheels hanging in a tree.	2	200	0	2	5	Tornado
Van Buren-Alma area, Crawford County	26	9:30 p.	Tornado touched down just east of Van Buren on Interstate Highway 40. Mobile homes in two mobile home parks were destroyed or damaged. Trucks and cars were blown off the highway and a weighing station was damaged.	1	100	0	23	5	Tornado
Kingston, Madison County	26	9:40 p.	Funnel cloud reported at Kingston moving east-northeast at 25 to 30 miles per hour.						Funnel cloud
Clarksville, Johnson County	26	10:05 p.	Funnel cloud aloft sighted near Clarksville moving east 30 miles per hour.						Funnel cloud
Augusta to Jonesboro, Woodruff, Jackson, Poinsett, and Craighead Counties	26	10:30 p. to Midnight	Tornado first touched down at Augusta and moved northeast leaving a path of twisted trees and destroyed or damaged buildings to Tupelo and Balch in Jackson County. Twenty-five persons were injured in Jackson County and property damage was estimated at \$110,000. The tornado continued a path of destruction northeastward across northwest Poinsett County where 7 persons were injured, to Otwell in Craighead County where 2 persons were killed, and to Jonesboro where much of the residential and business district was totally destroyed. One person was killed in Jonesboro. Eye-witnesses report two tornadoes were visible at Jonesboro at the same time. Damage at Jonesboro was estimated at \$44,000,000.	55	300	3	289	7	Tornado
Judsonia, White County	26	10:35 p.	Funnel cloud aloft sighted near Judsonia. Movement not known.						Funnel cloud
Griffithville, White County	26	10:40 p.	Funnel cloud aloft reported 5 miles north of Griffithville. Movement unknown.						Funnel cloud
Walnut Ridge area, Lawrence County	26	11:00 p.	Golf ball size hail reported 10 miles south of Walnut Ridge and at Hoxie.						Hail
ARKANSAS (continued)									
Powhatan, Lawrence County	26	11:35 p.	Funnel cloud aloft sighted near Powhatan moving east-northeast at 25 miles per hour.						Funnel cloud
Gravel Ridge, Pulaski County	26	Midnight	Funnel cloud with continuous lightning reported at Gravel Ridge.						Funnel cloud
Washington, Hempstead County	27	12:10 a.	Sheriff reported watching funnel cloud at Washington. Did not touch ground. Movement not known.						Funnel cloud
Texarkana, Miller County	27	12:50 a.	Funnel cloud reported over Texarkana. Did not touch down.						Funnel cloud
Blytheville, Mississippi County	27	1:55 a.	Funnel cloud first reported as tornado 2 miles south of Blytheville apparently did not touch down. Movement was to the east at 35 miles per hour. Funnel cloud also reported 5 miles southwest of Blytheville.						Funnel cloud
Wynne area, Cross County	27	2:00 a.	Strong wind unroofed homes, overturned mobile homes, blew down trees and power lines.		0	0	5		Wind
Trumann, Poinsett County	27	2:00 a.	Strong wind overturned mobile homes, blew down trees, and damaged homes and businesses.		0	1	4		Wind
Earle, Crittenden County	27	2:10 a.	Strong wind hit mobile home manufacturing plant causing severe damage to plant facilities and destroying 20 completed units. Other mobile homes in the area were damaged, trees blown down, and houses unroofed.		0	1	5		Wind
CALIFORNIA NORTHERN									
Walnut Creek, Contra Costa County	30	1:33 p.	Pilot reported one funnel cloud aloft in vicinity of Mt. Diablo, east of Walnut Creek.						Funnel cloud aloft
COLORADO									
Eastern portion	5-6		Heavy rains of 1 to 5 inches, or more, caused considerable local flash flooding along the east slope of the Rockies from near Ft. Collins to south of Pueblo. Greatest flash flooding occurred in the Denver area as numerous basements were flooded, some roads and streets were washed out, a bridge was demolished, and miscellaneous other damage was reported. See the May 1973 issue of Climatological Data, National Summary for other reported flood damage associated with this storm.		0	0	6	4	Rain
Baca County	6	about 12:30p	Tornado touched down briefly 7 mi. NE of Two Buttes. Direction of movement unknown.	1/2	100	0	0	0	Tornado
Baca County	6	1:30p	Tornado touched down about 13 mi. west of Springfield. Movement unknown.	1/4	50	0	0	0	Tornado
Kit Carson County	6	about 2:00p	Tornado, moving NE to SW, demolished a mobile home 8 miles SSW of Burlington and injured 5 persons.	1	100	0	5	4	Tornado
Weld County	21	2:11p	A funnel aloft was reported near Cornish.						Funnel aloft
Eastern third	21	aftn, eve	Violent hail and wind hit in local areas, causing much damage. Parts of Bent, Kiowa, Kit Carson, Lincoln and Yuma Counties had damage. Largest reported hail was 1 1/2 to 1 3/4 inches in diameter 3/4 mi. east of Hugo.		0	0	5	5	Hail, wind
Eastern third	27		An intense low pressure storm center in the Central Plains of the U. S. produced strong gusty winds to over 50 mph, causing much damage. Scattered damage occurred to buildings, irrigation pipe, fences, mobile homes, and newly planted crops. Thirteen flatbed railroad cars were derailed 2 mi. west of Selbert and severe blowing dust was reported in a few areas.		0	0	5	5	Wind

Yuma County	26	about 5:00p			0	0	4	3	Wind, hail
CONNECTICUT		High winds and hail							hit in an area 17 to 21 miles NNE of Wray.
DELAWARE		NONE REPORTED							
FLORIDA		NONE REPORTED							
BITLLO ORANGE CO.	25	12:20 PM	1/4	20	0	1	4	0	TORNADO
		A small tornado touched down in a mobile park destroying 7 mobile homes and damaging 7 others. There was only 1 minor injury, a Police dog was killed. Damage estimated \$50,000.							
FT. LAUDERDALE BROWARD CO.	25	4:00 PM	1/4	20	0	0	3	0	TORNADO
		A small tornado touched down near Port Everglades, in Ft. Lauderdale blowing signs and trees down, and overturning a large truck. Damage less than \$1000.							
PENSACOLA ESCAMBA CO. PACE SANTA ROSA CO. CRESTVIEW OICALOOSA CO. GLENDALE WALTON CO.	26	1:00 PM to 2:45 PM CDT	70	20	1	4	4	0	TORNADO
		One or possibly more tornadoes moved along a straight line path from North of Pensacola thru Crestview and Glendale. The tornado touched down a number of times but the only significant damage was in northeast Crestview where several mobile homes were destroyed with one man killed and four injured. Damage estimated at \$25,000.							
GULF BREEZE SANTA ROSA CO.	26	3:20 PM CDT	1/2	20	0	7	5	0	TORNADO
		A tornado hit the Lagnippe Beach (just east of Gulf Breeze) injuring 7 people and destroying several homes and mobile homes with damage to a number of houses at Holly Field, a hanger, 1D2 Skymaster aircraft and a trailer were destroyed. Total damage estimated at \$200,000							
VERO BEACH INDIAN RIVER CO	29	7:00 PM EDT			0	0	3	0	WINDSTORM
		A violent windstorm moved thru the Vero Beach area producing damage mainly to power lines, awnings and trees with no injuries. Storm lasted about an hour, damage \$2-3000							
GLEN ST. MARY BAKER CO.	29	8:00PM EDT	2	20	0	0	3	0	TORNADO
		A tornado touched down briefly a few times along a two mile path near Glen St. Mary destroying a trailer and uprooting a number of trees. Damage was estimated \$1000							
NORTH FT. MYERS LEE, CO.	30	3:40PM EDT			0	0	5	0	WINDSTORM
		A windstorm with hail and heavy rain hit North Ft. Myers damaging several mobile homes and cabanas. Damage estimated \$55,000							
ARCADIA DESOTA CO.	31	9:40PM	1/4	20	0	3	3	0	TORNADO
		A small tornado touched down 5 to 7 miles east of Arcadia. A trailer was blown on top of a car with people in both. Also one house was reported destroyed. Damage estimate \$5000							
GEORGIA									
Donalsonville	8	1:30 p.			0	0	4		Windstorm
		Strong winds blew roof off three classrooms at Seminole County Junior High School. Furniture and textbook damage from rain. Some additional minor damage.							
Dubline	8	Afternoon			0	0	4		Windstorm
		Strong winds blew roof off home and also heavily damaged pecan orchard.							
Tallapoosa	10	Night			0	0	3		Windstorm
		Thunderstorms accompanied by strong winds occurred two different times during night. Trees and utility lines downed.							
Marietta	11	Afternoon							Funnel Cloud
		Funnel cloud observed over Marietta moving rapidly southeast. Apparently dissipated over Rockdale County.							
North	11	Afternoon-Evening			1	0	4	C	Wind, rain, hail, electrical
GEORGIA (continued)									
Newnan	11	7:15 p.							Funnel Cloud
		Funnel cloud observed 6 miles west of Newnan. Moved toward south-east.							
Troup-Meriwether county line	11	8:05 p.	Short	Narrow	0	0	?		Tornado
		Tornado was observed to touch down along Troup-Meriwether County line. Moved toward the southeast. No report of damage.							
Colquit County	12	Evening			0	0	4	C	Rain, wind, hail
		Rain, hail and strong surface winds caused heavy damage to some young crops. Hail was small in size but considerable in quantity. Tobacco crops received heavy damage from hail. Some farm buildings damaged by winds.							
Douglasville	19	Night			0	0	4	C	Rain, wind, hail, electrical
		Winds damaged numerous roofs of buildings, one building had roof blown off. Many trees and utility lines downed. Most damage caused by wind with only minor damage by hail. Utility line damage due to lightning.							
Northwest	19-20	Night-early morning			0	0	4	C	Rain, wind, hail
		Golf ball size hail north and west of Rome. Locally heavy rains. Winds toppled some trees and utility lines.							
Claxton	20	6:00 p.			0	0	4	C	Hailstorm
		Golf ball size hail damaged cars and trucks. Considerable crop damage, especially tobacco.							
Gainesville	23	6:45 p.			0	0	3	C	Hailstorm
		Hail up to one and one half inches in diameter. Severe lightning.							
Waycross	26	9:12 p.							Funnel Cloud
		Funnel cloud observed 15 miles south of Waycross. Moved toward north.							
Valdosta	26	Evening							Funnel Cloud
		Funnel cloud observed south of Valdosta. Moved eastward.							
Hall County	27	12:50 a.							Funnel Cloud
		Funnel cloud observed in Hall county. Moved toward Gainesville.							
Cohutta	27	5:30 p.							Funnel Cloud
		Funnel cloud observed at Cohutta. Moved north northeast.							
Rabun County	27	7:30 p.	Short	Narrow	0	0	4		Tornado
		Trees blown down and chicken houses destroyed near Clayton.							
Rome	27	8:00 p.			0	0	3	C	Hailstorm
		Hail up to 3 inches in diameter near Rome. Heavy rain and strong surface winds.							
Trion	27	Evening	Short	Narrow	0	0	3		Tornado
		Tornado touched down on Walker and Chattooga County line. Trees and power lines down. No reported deaths or injuries.							
Franklin	27	Night	Short	Narrow	0	0	6		Tornado
		Tornado touched down near Franklin destroying buildings and equipment at the Georgia Power Company's Plant Wansley. Estimated storm loss to plant under construction about \$500,000. No deaths or injuries reported since the plant was unoccupied during weekend.							
Hall County	28	Midnight-2:00 a.							Funnel Clouds
		5 confirmed funnel clouds observed near Gainesville. None apparently touched ground.							
Atlanta	28	1:30 a.	1/2	100	0	0	5		Tornado
		Tornado touched down in southwest Atlanta destroying a church and damaging four residences. Damage to church was estimated in excess of \$400,000. Also considerable tree damage.							
Franklin County	28	3:30 a.	1	40	0	0	5		Tornado

GEORGIA (continued)									
		Tornado near Sandy Cross destroyed farm house and three chicken houses. Utility lines and trees downed. Minor roof damage at Royston.							
LaGrange	28	4:45 a.							Funnel Cloud
		Funnel cloud observed 12 miles south of LaGrange. Moved northeast.							
Lost Mountain	28	2:43 p.			0	0	0 ²	C	Hailstorm
		Hail one inch in diameter observed near Lost Mountain about 19 miles northwest of Atlanta.							
Walton, Oconee, Clarke Counties	28	5:00 p.		200	1	65	7		Tornado
		Tornado first reported in Walton County with small damage to farm buildings. Also touched down in Oconee County. Struck Athens area over a 15 mile path coinciding in part with the March 31, 1973 tornado. One person was killed and 65 injured in the Athens area. Destruction was very heavy near Athens. Estimated damage near 10 million. Destruction from the storm included the following: 545 residences damaged of which 49 were destroyed and 175 heavily damaged; 17 business buildings damaged of which 5 were destroyed; damage to elementary school and Navy supply school; hundreds of large trees more than 100 years old destroyed. Many of the homes that were damaged in the March tornado were damaged again. Several funnel clouds, none of which touched the ground were reported in a 25 mile radius of Athen from 5 a. to 8 p. Local reports of hail up to one and one half inches within a 40 mile radius of Athens.							
Coweta and Troup Counties	28	Evening							Funnel Clouds
		Funnel clouds were observed near LaGrange and Newnan. Moved toward northeast.							
Columbus	29	3:55 a.			0	0	0 ³	C	Hailstorm
		Golf ball size hail observed South Columbus.							
Alma	29	11:38 a.							Funnel Cloud
		Funnel cloud observed near Alma. Moved eastward.							
Douglas	29	11:53 a.			0	0	4		Windstorm
		Several mobile homes overturned.							
Cochran	29	12:35 p.							Funnel Cloud
		Funnel cloud observed near Cochran. Moved northeast.							
Pooler	29	1:00 p.		Short Narrow	0	0	4		Tornado
		Trees uprooted and mobile homes damaged. No reports of deaths or injuries.							
Garden City	29	1:15 p.							Funnel Cloud
		Funnel cloud reported 1 mile South of Garden City. Heavy rain and strong surface winds.							
Kingsland	29	3:55 p.							Funnel Cloud
		Funnel cloud observed 5 miles south of Kingsland.							
Brunswick	29	4:35 p.							Funnel Clouds
		Two funnel clouds southeast of city. Moved toward southeast.							
Brunswick	30	6:02 a.			0	0	0 ³	C	Hailstorm
		Golf ball size hail over city.							
Savannah	30	1:15 p.			0	3	4		Windstorm
		Strong surface winds accompanied by rain swept through Savannah area. Winds toppled partially complete concrete walls at a construction site injuring three masonry workers. Some trees and utility lines were downed by the wind.							
HAWAII									
Mountain ridge E of Lanai City, Lanai	27	4:56p.-5:00p.			0	0	0	0	Tornado
		Dark columnar-shaped tornado observed by pilot extended down about 900 ft. from dark cumulus cloud with estimated tops of 10,000 ft. stirred up ground debris as it moved westward along ridge.							
10 SW Lanai Pt., Molokai	27	6:16p.-6:18p.			0	0	0	0	Waterspout
		Waterspout observed by pilot extended down from cumulus cloud base of 2,000 ft. to ocean surface.							
IDAHO									
Moscow, Latah County	2	1:30 p.	?	?	0	0	3		Tornado
		A carport on west side of house was torn off. Our FPP scale is 1.00 There is some question as to whether or not this is actually a tornado. The damage does look as if it were caused by a tornado which touched down very briefly. There were two eyewitness accounts of a funnel cloud and "strange sound caused by the wind."							
IDAHO (continued)									
Terreton, Jefferson County	6	Evening			2	0			Wind
		Strong gust of wind major cause of car going off road against canal bank causing death of two occupants.							
Shelley, Bingham Co. to Lewisville Area, Jefferson County	8	p.m.			0	3	3		Wind
		Strong winds moved northward from Shelley, Bingham County, where a neon sign was blown onto highway to Lewisville area, Jefferson County, where 3 children in camper were injured when camper was blown off pickup and struck an oncoming car.							
Rexburg, Madison Co. 12 mi. NW	9	p.m.			0	0	4		Wind
		Wind gusts to 60 m.p.h. lifted roof of 200 ft. hay loft and carried it into nearby shed intact except for a portion that hit a truck parked in the loft.							
Emmett, Gen County and Caldwell area, Canyon County	19	p.m.			0	0	0	4	Hail and Wind
		Wind-driven hailstones damaged apples, cherries and plums in 3 1/2 mile long area. About 30 sailboats capsized on Lake Lowell during sailing regatta; however, no serious injuries reported and only minor damage to boats.							
ILLINOIS									
Mercer County	1	4 pm	?	?	0	0	?	?	Hail
		Numerous reports of pea-sized hail at several country locations.							
Geneseo 15 ESE Moline	1	5:30 pm			0	0	?	0	Lightning
		Lightning caused several power outages in the town.							
Dixon, near 28 SW Rockford	1	6:30 pm	?	?	0	0	?	?	Hail
		One-inch hail fell in the vicinity of Dixon.							
10 S Macomb	1	7:50 pm			0	0	0	0	Funnel aloft
		Tornado funnel with whipping tail observed moving toward the NE.							
Galva area in Henry County	1	8-9 pm	?	?	0	0	3	3	Hail, wind
		Severe thunderstorm deposited hail up to 2 inches deep in the Galva area, damaging buildings and crops. Strong winds added to damage. 2-3 inches of rain fell with this storm in 45 minutes in Wyoming, Illinois.							
Hancock and Henderson Counties	1	9:30 pm	?	?	0	0	?	?	Wind
		High thunderstorm winds damaged many farm structures.							
Pekin 12 S Peoria	1	11:15 pm	?	?	0	0	4	?	Wind
		Thunderstorm winds estimated at 60 mph resulted in considerable structural and tree damage.							
Oneida 26 SSE Moline	1	pm	?	?	0	0	?	?	Hail
		Golf ball sized hail was reported in the town.							
Chicago Heights south suburb	1	?	?	?	0	0	?	0	Wind
		Wind estimated at 55 mph blew down many trees.							
Monroe and St. Clair Counties	7	6:10 pm	20	1 mile	0	2	5	?	Wind and Tornado
		to 6:40 pm High thunderstorm winds traced a path of destruction about 20 miles in length and 1 mile wide. Many structures were unroofed or damaged by falling trees. A tornado touched down at Hecker at 6:15 pm. A tornado at Freeburg at 6:25 pm traced a path 1 mile long and 1/8 mile wide, moving toward the NE, and damaging or destroying about 20 buildings. Two injuries resulted.							
Opydke 41 NNE Carbondale	7	7:30 pm	?	?	0	3	?	?	Tornado
		A tornado touched down briefly, damaging two homes and knocking a tree into a mobile home.							
Patoka in Marion County	7	7:40 pm	?	?	0	1	?	?	Tornado
		A tornado caused damage to several homes and one house trailer resulting in injury to one child.							
Kinmundy 18 SE Vandalia	7	7:50 pm			0	0	0	0	Funnel aloft
		Tornado funnel aloft observed moving toward the NE.							
Fairfield in Wayne County	7	8:20pm	?	?	0	0	4	?	Tornado
		Tornado touched down in Fairfield and destroyed four farm buildings.							
Geff in Hamilton County	7	pm			0	0	4	0	Lightning
		Lightning caused a house fire.							
Du Quoin in Perry Co	7	pm	?	?	0	0	?	?	Tornado
		Two cabins destroyed in a brief touchdown.

SPECIAL HAIL SUMMARY									
<p>Hail Loss Clearing House reports indicate hail was especially severe in the following counties and on the dates listed:</p>									
<p>6 - Mitchell, Lincoln, Ellsworth, Reno 11 - Wilson, Meosh, Crawford, Cherokee 21 - Greeley, Hamilton, Wichita, Kearny, Finney, Gray, Hodgeman, Rush, Lincoln, Ellsworth, Reno, McPherson, Dickinson, Marion, Pottawatomie, Morris, Jackson, Shawnee 22 - Staffors, Rice, Reno 26 - Barton, Reno, Harvey, Sedgwick 29 - Reno, McPherson</p>									
KENTUCKY									
Northeastern Morgan County	8	5:00 p.m.			0	0	4		Wind, hail
<p>A severe thunderstorm with heavy hail which cut leaves from trees and plants, destroyed a mobile home with all the furniture and appliances.</p>									
West Central and Southeast Kentucky	10	Afternoon - Evening			0	0	0	0	Thunderstorms, lightning, hail, high winds
<p>Numerous heavy thunderstorms moved through the area causing scattered areas of damage. Several trees were blown over onto utility lines and buildings. Heavy hail was reported in Ohio and Hart Counties. Heavy rain damaged rural roads in Grayson County. The worst thunderstorm deposited heavy hail in Edmonson County at 5:00-6:00 p.m., then moved southeastward through southern Barren County between 6:00 and 6:30 p.m., causing extensive damage to mobile homes, farm buildings, boats on Barren Lake, utility lines, and scattered residences. Numerous reports of lightning damage were received from the area.</p>									
Bowling Green	10	11:28-11:45 a.m.			0	0	3		Tornado
<p>A funnel cloud was reported 8 miles west of Bowling Green at 11:28 a.m. The storm moved east-southeastward and touched down briefly in the northern part of Bowling Green about 11:45 a.m., causing minor damage to a building under construction.</p>									
McCreary County	10	2:00 p.m.			0	5	4		Tornado
<p>A tornado touched down just east of Pine Knot, destroying a greenhouse, picking up a truck and carrying it 100 feet, and injuring the three passengers. It then moved across rural countryside, destroying numerous trees, a few farm buildings, and damaging utility lines. Finally, it picked up a mobile home 3 miles east of Pine Knot, carrying it 300 feet, injuring the two occupants, destroying the mobile home and a nearby barn.</p>									
Henderson County	10	4:25 p.m.							Funnel
<p>Kentucky State Police reported a funnel cloud south of Henderson on the Audubon Parkway. Weather radar indicated a strong cell in the area.</p>									
North Central and Northeast	19	Afternoon - Evening					4		Hail, lightning
<p>Thunderstorms moving through the area produced hail at several locations including 3/4" hail at Dry Ridge, Grant County, at 1:50 p.m. and 3/4" hail in southern Rowan County at 1:00 p.m. Fires were started by lightning in northeast Fleming County at 1:00 p.m., and in eastern Jessamine County at about 2:00 p.m. 9 cattle were killed by lightning in eastern Jessamine County and hail damaged roofs, cars and aluminum awnings in Richmond around 5:30-6:30 p.m. Weather radar indicated numerous thunderstorms in the area.</p>									
Fulton County	19	5:30 p.m.							Funnel
<p>Aircraft pilot reported a funnel cloud about 5 miles northwest of Hickman.</p>									
Central and West	22	Late Afternoon & Evening					0	0	Lightning and hail
<p>Marble size hail was reported about 6:00 p.m. from southern Muhlenberg and central Logan Counties. Lightning was reported from numerous locations causing widespread minor damage to utilities. Fires caused by lightning destroyed buildings in western Jessamine County, in Harbin County, in Daviess County, and in Fulton County. Lightning killed a total of 25 cattle in Harbin and Washington Counties.</p>

KENTUCKY (continued)									
Paducah	23	11:25 a.m.							Funnel
									Kentucky State Police reported a funnel cloud 5 miles southwest of Paducah moving eastward.
Central	23	3:00 - 5:00 pm			0	0	0	0	Thunderstorm, wind.
									Heavy thunderstorms moved from Hardin County at 3:00 p.m. eastward through Nelson and Washington Counties into Fayette, Boyle and Mercer Counties at 4:00-4:30 p.m., to Clark and Madison Counties at 5:00 p.m. There were numerous reports of trees blown onto highways and utility lines, and several reports of structural damage to places of business, residences, churches, schools and mobile homes, caused by high winds alone. Some mobile homes were completely destroyed. At the Lexington Airport, wind gusts to 57 MPH blew one airplane loose from its mooring into 3 other airplanes, damaging all four.
Louisville	25	4:15 p.m.							Funnel
									Numerous witnesses reported a funnel cloud moving northeastward over the western edge of the city.
Daviess and Grayson Counties	25	Afternoon			0	0	4		Wind, lightning
									Lightning struck and exploded an oil storage tank near Owensboro at 3:00 p.m. Winds associated with a heavy thunderstorm damaged a bank and a restaurant-service station building in Clarkson.
3 miles northeast of Lebanon	25	8:00 p.m.			0	2	0	0	Tornado
									A tornado destroyed a barn and overturned a mobile home, injuring the two occupants. Weather radar indicated a strong thunderstorm in the area at this time.
Northern Hardin County	26	9:15 p.m.							Funnel
									A funnel cloud was sighted north of Vine Grove.
State	26-27	Afternoon 26th Morning 27th			0	1	0	0	Wind, rain, lightning, hail
									One-inch hail was reported in Louisville about 9:00 p.m. Severe thunderstorms caused scattered damage. Lightning caused fires which destroyed residences in Calloway, Union and Ohio Counties, and damaged residences in Owensboro, Calloway, Carlisle and Ohio Counties. A man was injured north of Russellville when lightning struck a wench under which he had taken cover from a rainstorm. Lightning killed 4 cattle in Mason County. The most severe wind damage was in Logan County where several buildings were damaged in the Oakville Community at about 5:00 p.m., and in Tompkinsville where a warehouse and a milking parlor were severely damaged at 7:00 a.m. A mudslide in Harlan County, resulting from heavy rains, blocked Kentucky 38.
Southeast	28								Flooding
									Heavy rains from the 23rd to the 27th caused many streams to overflow their banks.
LOUISIANA									
Red River Parish	2	11:15 PM			0	0	0	1	Hail
									Golf ball size hail reported 4 1/2 miles south of Coushatta.
Webster Parish	7	1:50 AM	1/2	25	0	2	4	0	Tornado
									At Cotton Valley two house trailers destroyed by tornado, two occupants received minor injuries. Two barns in vicinity also destroyed. Co-op observer reported funnel cloud on south side of Cotton Valley.
Caddo and Bossier Parishes	7	1 AM-2 AM			0	0	5	0	Wind, Lightning
									High winds in line of heavy thunderstorms moving rapidly across Caddo and Bossier parishes caused extensive damage to trees and power lines. Several buildings damaged by falling trees, mobile homes damaged by high winds. Considerable damage to plate glass windows in Shreveport-Bossier City area. Lightning started several fires, large church in Shreveport burned, extent of damage unknown.
Avoyelles, Vernon, and Beauregard Parishes	7	Early morning			0	3	5	0	Wind, Lightning
									High winds destroyed mobile home at DeRidder, four occupants thrown from it, three injured. 2 SE DeRidder high winds caused roof damage, blew down tree which fell on pickup truck, half of barn destroyed by wind. At Eunice lightning struck grocery store, caused fire that reduced it to a total loss.
East Baton Rouge Parish	7	3:30 AM			0	0	5	0	Funnel clouds, Wind
									Several funnel clouds reported in Baton Rouge area. High winds at Ryan Airport damaged twelve airplanes, completely destroying two.
LOUISIANA (continued)									
Jefferson Parish	18	Late afternoon			0	0	3	0	Hail, Funnel cloud
									Numerous reports of 1/2-1 1/2 inch diameter hail, minor damage to automobiles and homes. Funnel cloud reported by Molsant Airport observer.
Franklin, Morehouse, and Union Parishes	23	5 PM-7 PM			0	3	4	0	Hail, Wind
									Line of heavy thunderstorms moving eastward across northeast Louisiana. Numerous reports of golf ball size hail which damaged cars, downed many trees and power lines, and caused minor roof damage. Three boats received minor injuries (bruises). High winds overturned two house trailers.
Sabine, Caddo, and Desoto Parishes	24	3:30 PM-4:30 PM			0	0	4	3	Funnel cloud, Hail, Wind
									Funnel cloud sighted near Zwolle. High winds and golf ball size hail caused extensive damage to trees and power lines with lesser damage to automobiles (broken windshields), buildings, and crops.
Jefferson Parish	24	4 PM	1/16	25	0	0	2	0	Small Tornado
									Small twister dipped down in Metairie, 1 SE MSY, completely shattered all windows of two cars. Windows of the cars were closed, glass exploded outward, no glass found inside the cars. Nearby window air-conditioning unit torn out of window and thrown onto roof of nearby building.
East Baton Rouge Parish	24	4:25 PM			0	0	4	0	Wind
									Power lines downed, several trees blown over onto houses and automobiles, roofs damaged in heavy thunderstorms. At Louisiana Training Institute in Baton Rouge garage demolished, twelve vehicles inside damaged extensively.
Caddo, Morehouse, Ouachita, Madison, and Webster Parishes	25	Early morn until afternoon			0	0	4	0	Wind, Hail, Lightning
									High winds (67 mph at Oil City, 55 mph at Vivian) and 1/2 inch diameter hail downed power lines and billboards, broke plate glass windows, overturned a trailer, caused roof damage, and uprooted trees. Two fires due to lightning strikes.
MAINE									
Statewide	1-5					1		6	Heavy rain and floods
									Heavy rains continued into May causing extensive flooding, including major rivers. One death due to drowning. Worst flooding in northern Aroostook County and along the Penobscot River. Caused \$1.5 million damage and area declared a disaster area.
MARYLAND									
Hagerstown	30	5:30 p			0	0	4		Thunderstorm
									Several trees were toppled, a house trailer was demolished, a barn roof was blown off and a chimney was felled from a house.
Baltimore	30	6:45 p-9:00 p			0	0	3		Funnel clouds, Thunderstorm
									Six tornado funnels reported over the Baltimore Metropolitan area. 10,000 homes blacked out by thunderstorm.
MASSACHUSETTS									
Central, southeast (except Cape Cod)	11	2:55p.-5:30 p.			1	0	3	3	Lightning, hail, funnel clouds
									Heavy thunderstorms affected several communities with hail, gusty winds, heavy rain. Funnel clouds seen over Worthington at 2:55 p.m. by climat observer. Springfield, Belchertown, Milford, Rutland, Sutton, Worcester, Westboro, Franklin reported hail which ranged up to 1 inch diameter at Springfield. Woman struck and killed by lightning. Lightning struck church in Millbury, 2 buildings in Foxboro causing slight damage. Storms moved west to east across area.
Lowell, Athol	18	After 5p.							Funnel cloud, hail
									Metorology graduate student in Lowell reported funnel cloud at 5:20 p.m. Funnel cloud, hail. It is believed it did not touch down. Brief hail reported at Athol.
Andover	28	11:39p.			0	0	2	0	Lightning
									Lightning struck and slightly damaged eaves of home.
MICHIGAN									
Sanford, Midland Co.	1	2.a						4	Lightning
									House set afire
White Pigeon, St. Joseph Co.	2	11.45a						3	Wind
									Tree blown over onto car

MISSISSIPPI (continued)									
Jones County	8	Early Morning			0	0	5	0	Wind, Heavy Rain, Hail
									Hundreds of trees uprooted, blocking streets and highways, damaging buildings. South part of Laurel hardest hit with power company sub station knocked out by falling trees, disrupting power to City of Laurel. Up to three inches of rain in 3 hours caused flash flooding in Laurel. Damage in Laurel vicinity estimated \$145,000. Damage from wind, heavy rain and large hailstones, also reported in Ellisville area. \$8000 damage in Bullock community in southwest Jones County.
Marshall County	11	About 12 P	?	?	0	2	4		Tornado
									Tornado touched down at Laws Hill community and destroyed trailer home causing 2 minor injuries.
Union County	11	1:25 PM			0	0	4	C	Wind, Heavy Rain
									Damage observed to chicken houses, barns, roofs, and autos, 10 power line poles downed
Lee County	11	2:45 PM - 5 PM			0	0	5	0	Wind and Heavy Rain
									Two cars demolished by falling trees and minor damage to several house trailers. Two small aircraft were damaged at Tupelo Airport where winds of 73 mph were observed. Several power lines were broken by falling trees.
Union, Pontotoc, and Lee Counties	19	About 4 PM - 7 PM			0	0	0	C	Hail, Wind, Heavy Rain
									Golf ball size hail - some in clusters as large as baseballs, along a path from Myrtle to New Albany and Sherman and on to Tupelo. Torrential rain and damaging wind. Dozens of automobiles, broke plate glass in buildings, homes, autos, ruined gardens and shrubs, stripped trees. Hailed in New Albany for 13 minutes.
Panola, Lafayette and Yalobusha Counties	19	7:30 PM - 9 PM			0	0	3	C	Windstorm, Heavy Rain
									Torrential rain, damaging winds and marble size hail. Trees downed, crops damaged, flash flooding reported.
Quitman, Tallahatchie, Yalobusha and Grenada Counties	19	9:01 AM - 10 AM			0	0	3	C	Funnel Cloud, Heavy Rain, Severe Lightning, Hail
									Funnel cloud between Clarkedale and Marks. Strong winds caused power-line break, but otherwise, no damage reported. Subsequently, heavy hail - (size unknown), very heavy rain, severe lightning, strong winds reported along path of this storm as it moved southeast.
Greenwood, Leflore County	23	3 PM			0	0	3	C	Hail, Wind
									Golfball size hail and wind to 70 mph at Greenwood. Windows and cars damaged by hail. Trees and power-lines downed.
Madison County	23	4:52 PM			0	0	3	C	Hail
									Golfball size hail 10 miles north of Canton.
Southwest of Carthage Leake County	23	5:15 PM	?	?	0	0	3	?	Tornado
									Tornado touched down briefly, destroyed chicken house, killed 150 chickens.
Scooba, Kemper County	23	6 PM			0	0	0	C	Windstorm
									Trees uprooted and roof damage.
Pontotoc, Pontotoc County	23	6:30 PM			0	0	3	?	Funnel Cloud
									Funnel cloud at Pontotoc reported to have remained aloft; damaged trees, and glass windows, some roof damage
Baldwyn, Lee County	23	7:25 PM					1		Funnel Cloud
West Jackson, Hinds County	23	7:40 PM	?	?	0	0	3	?	Tornado
									Tornado touched down briefly - uprooted tree and damaged house.
Jackson, Hinds County	23	7:50 PM			0	0	0	C	Wind, Heavy Rain
									Trees downed, plate glass windows and power lines damaged and minor flash flooding.
Piney Woods, Rankin County	23	10:05 PM			0	0	3	?	Hail
									Golf-ball size hail reported.
Rawles Springs, Forrest County	24	4 PM	?	?	0	0	3		Tornado
									Trees uprooted and roofs damaged when tornado touched down briefly.
MISSISSIPPI (continued)									
Mt. Olive, Covington County	25	4:45 AM			0	0	?	?	Hail
									Golf-ball sized hail observed in Mt. Olive area by a Mississippi Highway Patrolman.
Five miles north of Belzoni, Humphreys County	25	5:10 PM			0	0	?	?	Funnel Cloud
Seven Miles north of Greenwood, Leflore County	25	5:57 PM			0	0	?	?	Funnel Cloud
Vicinity Brookhaven, Lincoln County	25	about 6:45 PM			0	0	?	?	Hail, Wind
									Golf-ball to baseball size hail and wind gusts to 55 mph in the Brookhaven vicinity. Trees and crops damaged.
Eight miles north of Columbia, Marion County	26	7:15 AM			0	0	0	C	Funnel Cloud, Hail
									Trees downed, cornfield flattened by golf-ball size hail.
Pearl River County	26	9:23 AM			0	4	4	?	Tornado
									Tornado dipped down briefly 2 miles northeast of Picayune; caused 4 minor injuries; destroyed 3 house trailers, 2 houses and a barn.
Fifteen miles north of Picayune, Pearl River County	26	10:45 AM			0	0	4	C	Windstorm
									Two or three mobile homes overturned, several roofs damaged and trees uprooted.
Eight miles west of Laurel, Jones County	26	12:35 PM							Funnel Cloud
Skeene, Boliver County	27	4:41 AM							Funnel Cloud
Six to eight miles east of Ashland, Benton County	27	Approx 5:00 AM	4-5	Approx 100	0	0	4	?	Tornado
									Tornado touched down briefly and uprooted trees and damaged buildings.
Vicinity of Drew, Sunflower County	27	5:05 AM							Funnel Cloud
Biggersville, Alcorn County	27	About 7 AM	2 Mi.	?	0	0	0	?	Tornado
									Tornado touched down briefly and destroyed one barn and uprooted building.
Three miles east of Trement, Itawamba County	27	10:59 AM	?	?	0	0	3	?	Tornado
									Tornado touched down briefly. Mobile home destroyed and several other houses damaged.
Laurel area, Jones County	27	1:15 PM	10-15	400	1	35	0	C	Tornado, Hail, Heavy Rain
									Tornado skipped along a 15 mile long path from 8 miles south of Laurel to about 6 miles east of Laurel. One killed; 35 injured, 11 hospitalized, 6 injured critically. Nineteen homes destroyed, 62 homes damaged, 7 mobile homes destroyed, 40 farm buildings destroyed, 40 rented boats destroyed. Hail, heavy rain and flash flooding also reported. Damage estimated around \$2 million.
Two to three miles South of Clinton, Hinds County	27	1:45 PM	1/2	150	0	0	0	C	Tornado
									Touched down briefly and destroyed chicken house and house trailer.
West Jackson, Hinds County	27	1:55 PM					1	?	Hail, Wind
									Golf-ball size hail in western portion of City of Jackson, also slight property damage from high winds in same area.
Eastern Clark County	27	3 - 3:30 PM	?	?	0	3	0	C	3 Tornadoes
									Several small tornadoes struck the eastern edge of Clark County and destroyed one church and four houses and damaged six houses. Three persons injured. Damage estimated at \$100,000.00.
Causeyville - Whynot communities, Lauderdale County	27	3:20 PM - 5:30 PM	?	?	0	3	0	C	2 Tornadoes
									Two tornadoes touched down several times, destroyed 8 houses, 7 mobile homes, damaged cars and 25 buildings. The tornadoes occurred about 2 hours apart, following nearly identical paths. Damage estimated at \$150,000.00.
Wayne County	27	About 3:30 PM			0	0	0	C	Windstorm
									Windstorm in extreme northwest section of Wayne County damaged one house, and destroyed one house. Damage estimated at \$25,000.

								Elizabeth City area \$12,000 property damage.	
NORTH DAKOTA NO STORM DATA REPORT RECEIVED FOR THIS STATE									
OHIO									
Dublin, Franklin County	8	2:10p	18	Narrow	0	0	5		Tornado
Galena and Sunbury		2:40 p							
Delaware County									
								Around 2:10pm a tornado hit the Bash Recreation Center at Dublin in Franklin County causing \$100,000 to \$150,000 damage. The storm then moved toward the northeast with a Tornado reported at 2:30pm at Galena in Delaware County, causing considerable damage to a brick yard.	
								The Tornado proceeded to the northeast causing damage in Sunbury. One garage was destroyed, a pick up truck crushed and the roof blown off a car wash. This Tornado was associated with a line of thunderstorms. No fatalities or injuries were reported.	
Olmsted Township, Cuyahoga County	8	6p	3/10	25	0	0	3		Tornado
								A small funnel associated with a line of thunderstorms touched down briefly in Olmsted Township about 3 miles west of Cleveland. Damage was limited to trees, the roofs of 3 homes and 2 garages. One boat and 2 camping trailers were blown over. Damage costs were estimated at \$300 to \$1000.	
Findlay, Hancock County	10	3p			0	0			Hail
								3/4 inch hail occurred at the Findlay airport. No damage was reported.	
Northern Ohio	10	3:41p - 10:30p	90	25	6	100	7		Tornado
								Extensive damage occurred across northern and central Ohio during the afternoon and night of May 10 due to Tornadoes and high winds. Numerous reports of hail and heavy rain were received along three Tornado paths.	
								The northern most storm path began at Marks Center of Defiance County around 2:55pm EDT, where 1/4 inch hail was reported. A funnel cloud was reported around 2:55pm 5 miles northeast of Napoleon in Henry County. The funnel cloud first touched down 2 miles north of Fostoria in Seneca County. The Tornado touched down several more times passing 1 mile of Tiffin, 1 mile north of Republic and 1 mile north of Attica all in Seneca County. In Seneca County many homes and barns were damaged or destroyed. One lady was killed when her car was blown off Route 19, 1 mile South of Republic. The most severe damage occurred in the town of Willard,	
OHIO (continued)									
								In Huron County, around 5pm, 119 Mobile Homes were completely destroyed, 54 damaged severely, several business establishments severely damaged including 2 automobile dealerships where 50 to 75 cars were damaged, many beyond repair. Damage in Willard was estimated at 3 million dollars. Five persons were killed and 100 persons injured with 1000 persons left homeless. The damage path continued to 2 miles west of Greenwich by 5:15. Reports indicate that there were more than one funnel with this storm track. Numerous funnels were reported though northern Medina and Summit Counties. Along the southern track a Tornado touched down in northwest Ashland County near County road 500 at about 5:20pm. Six persons were injured and 10 to 12 homes severely damaged. The Tornado also touched down 1/2 mile northeast of West Salem at 6:07pm 10 1/2 miles north of Wooster, and lastly 2 miles east of Rittman around 6:43 pm EST. Several homes, farms, buildings and trees were severely damaged.	
North Central Ohio	10	4:40p - 6:15p	85	30	0	14	5		Tornadoes
								The second storm path paralleled the northern track and with a Tornado touch down just South of Forest in Hardin County and ran to just west of Hargster in South central Myandot County. Damage was reported to several farm buildings, and trees. It touched down again in Bellville in Richland County, destroying 2 houses and causing damage to 10 others, 4 trailers and 2 barns. The final Touchdown occurred around 6:15pm 5 miles west of Millersburg to just northwest of Millersburg in Holmes County. Several farm buildings were damaged along with the roofs of 2 houses.	
Central Ohio	10	6:45p - 8:20p	85	30	0	13	6		Tornadoes
								The third Tornado path began at 6:45 in northern Champaign County and northern Clark County where wind damage was reported. A Tornado touched down 9 miles northwest of Urbana shortly before 8pm and moved eastward through Catawba Station in Southeast Champaign County. 30 homes, 4 mobile homes and some farm buildings were damaged. 3 persons were injured. The Tornado touched down around 7pm, just north of Springfield and touched down several more times in northeast Clark County. Damage was minor. The tornado touched down in northern Madison County where 3 houses were destroyed, 6 received major damage and 25 minor damage. Four persons were injured. The Tornado moved into Franklin County and through Southern portions of the city of Columbus touching down several times. Fourteen houses were destroyed, 82 damaged and one mobile home destroyed. No deaths or injuries were reported. Damage is estimated at \$500,000. Tornado touched down at least once in Fairfield County destroying one mobile home. The final touchdown occurred around 7:20pm in northeastern Perry County destroying two mobile homes and hospitalizing one person.	
Dayton, Darke County	14	3:35p							Funnel Aloft
								A funnel cloud was reported by the public 35 miles northwest of Dayton.	
Kent, Portage County	16	10:22a							Funnel Aloft
								A funnel cloud was sighted over Kent moving eastward.	
Venedocia, Van Wert County	25	2:45p	2	narrow	0	0	4		Tornado
								A funnel touched down near Venedocia. One large barn and a small building were destroyed. Trees were blown down and minor power failures resulted. The funnel moved east and later funnels were reported in Allen and Hancock Counties. A Tornado was reported one mile north of Ada at 3:30pm. Damage was limited to trees and power lines down.	
Allen, Hancock County	25	4:30p - 9:22p							Funnel Aloft
								Funnel clouds were reported in Eastern Allen County around 4:30pm, near Bluffton in Allen County at 8:30 pm and near Findlay in Hancock around 9:20pm.	
Ross, Butler County and Hamilton County	19	5:45p	1	100	0	0	4	?	Tornado
								A small Tornado touched down briefly in Ross Ohio. Most of the damage appeared to be from straight line winds but debris on a farm indicated a Tornado circulation. Two farm buildings were demolished, about 15 houses had shingles and TV antennas blown off roofs. Numerous trees were uprooted or broken off. At the Fernald Atomic Engery Plant, located one quarter mile north of Ross, one inch hail chunks, roughly cubical in shape caused scattered damage to roofs. Power lines were downed by falling trees or tree branches up to ten miles east of Ross in Butler and Hamilton Counties, apparently from the same storm.	
Allen County, Bucyrus, Crawford County	25	4:30p - 6:20p	1	narrow	0	0	3	?	Tornado and Funnel
								A funnel cloud was observed in eastern Allen County Around 4:30pm. The funnel touched down 6 1/2 miles north of Bucyrus on State Route 4 in Crawford County at 6:20pm.	
Mansfield Richland County	25	6:39p	0	0	0	0	0		Hail
								3/4 inch hail was reported at Mansfield Airport.

OHIO (continued)									
Dayton, Montgomery County	25	3:30p 4:00p	0	0	0	0			Hail
		3/4 inch hail or larger was reported in Huber Heights in the northeast corner of Dayton. Little damage was reported. There were several reports of small hail in Montgomery and Clark Counties between 3:30 to 4:30pm. Hail accumulated to two to three inches on the ground in Springfield.							
Columbus, Franklin County	25	6:30p 7:00p	1	narrow	0	0	5	?	Tornado
		The public reported funnel clouds on the west side of Columbus, around 6:30pm. Damage occurred approximately 6 miles west of downtown Columbus. One manufacturing plant suffered approximately \$40,000 damage when several hundred feet of a concrete block wall were blown out. Another industrial plant in the same locality lost a portion of its roof and received considerable water damage inside the plant from heavy rain. Some signs were blown down and some showroom windows broken.							
Sidney, Shelby County	28	6:53 p							Funnel
		The Shelby County Sheriff's office reported a funnel cloud four miles southwest of Sidney Ohio. No damage was reported.							
Ohio City and Rockford VanWert County, Mansfield, Richland Counties	29	3:55p 5:13P							Funnel Aloft
		Several funnel clouds were sighted, one at Ohio City in VanWert around 3:55pm, a second near Rockford in northeast VanWert County and a third at 5:13pm just southeast of Mansfield in Richland County.							
Columbus, Franklin County	30	1:55p 2:30p	2	17	0	1	6	?	Tornadoes
		A Tornado was observed one and one-half miles southwest of Columbus Airport around 1:55pm which damaged The North American Rockwell Corp. Parts of the roof collapsed causing around \$1,000,000 damage. The Defense Construction Supply Center was severely damaged. Seven warehouses were hit. Several cars were damaged mostly with broken windows and tires that exploded. Damage was estimated at \$2,300,000 to the Defense Construction Supply Center.							
OKLAHOMA									
Near Madill, Johnston County	1	6:00 a.	1	800	0	0	4	0	Wind and rain
		High winds associated with thunderstorms caused some light damage to a few mobile homes and boat docks, principally in the Buncombe Creek Resort area. Small hail occurred. Winds estimated to 60 m.p.h.							
Near Hooker, Texas County	1	About 9:00 a.	1/8	150	0	0	0	0	Tornado
		A tornado touched down briefly about 4 miles southwest of Hooker. No damage was reported.							
Near Keyes, Cimarron County	1	9:25 a.			0	0	0	0	Funnel aloft
		A funnel aloft was sighted near Keyes.							
Hardesty, Texas County	1	9:30 a.			0	0	0	0	Funnel aloft
		A funnel aloft was reported 4 1/2 miles northeast of Hardesty. No damage indicated with storm.							
Seminole, Seminole County	1	10:55 a.	1/4	250	0	0	4	0	Wind
		Strong winds caused scattered damage in the area. Roofs were torn from homes, trees were destroyed and utility poles torn down.							
Near Okmulgee, Okmulgee County	1	11:15 a.			0	0	0	0	Funnel aloft
		A funnel aloft was reported 8 miles southwest of Okmulgee.							
Golden, McCurtain County	1	11:40 a.			0	0	3	0	Wind, local flooding
		Winds damaged buildings with roofs torn off and other scattered damage. Trees were uprooted and blocked a highway for awhile. Heavy rain of over 3 inches was reported in 35 minutes, with amounts of more than 5 inches reported at Battist. A county road was blocked by high water.							
Marietta, Love County	1	12:30 p.			0	0	0	0	Hail
		Golf ball size hail was reported. No known damage.							
Near Hulbert, Cherokee County	1	1:15 p.			0	0	0	0	Hail, wind
		Golf ball size hail and strong wind were reported. No known damage.							
Hoodys, Cherokee County	1	L:45 p.	Short	Narrow	0	0	4	0	Tornado
		A tornado touched down destroying a house and several smaller buildings.							
OKLAHOMA (continued)									
Seminole, Seminole County	6	3:00 p.	8	70	0	0	5	0	Tornado, 2 funnels aloft
		A tornado touched down and destroyed a mobile home and a service station southwest of Seminole. It raised aloft and then struck another home near the airport north of Seminole. Also there were two funnels aloft in the same cloud.							
Near Davis, Murray County	6	Late Afternoon			0	0	0	0	Hail
		Golf ball size hail fell west of Davis. No known damage.							
Pittsburg County	6	About 6:00 p.	4	Narrow	0	0	4	0	Tornado, wind, rain
		Strong winds were reported at Hartsborne and a tornado was reported near Featherston. Heavy rains closed highways for awhile. The tornado apparently remained at tree-top level and damaged or destroyed barns, outbuildings and trees.							
Grant County	6	7:10 p.	Short	Narrow	0	0	4	0	Tornado
		A tornado touched down between Medford and Deer Creek. Some destruction or damage to several buildings, many trees.							
Near Perry, Noble County	6	7:15 p.			0	0	0	0	Hail
		Golf ball size hail was reported. No known damage.							
Pushmataha and Choctaw Counties	6	8:15 p.	6	150	0	1	5	0	Wind
		High winds associated with thunderstorms (but possibly due to tornadic activity) struck about 4 miles west of Antlers at 8:15 p. and about 4 miles south of Antlers at 8:50 p. causing damage to 15 homes, 35 barns and many outbuildings. Numerous trees and power lines were damaged also. Total damages in the Antlers area were estimated to be \$150,000 consisting of light damage to many structures. Some damage to two mobile homes, several other homes and a school building were sustained near Unger and Boswell. One man suffered a broken nose at Unger.							
Northeast Part of State	11	7:15 a.			0	0	5	0	Wind, rain
		Strong winds associated with fast moving thunderstorms caused scattered damage across the area. Gusts up to 100 m.p.h. were recorded at the Pryor airport, to 90 m.p.h. at Claremore and to 80 m.p.h. north of Wagoner. Roofs of homes were damaged, mobile homes were damaged, and utility lines and trees were blown down. The storm moved toward the southeast.							
Wright City, McCurtain County	11	6:40 p.	3	*2	0	0	0	0	Hail
		Golf ball size hail was reported near Wright City. Hail also was reported 6 miles west of Isabel. No known damage.							
Kay County	18	6:00 p.	8	Narrow	0	0	0	0	Tornado, funnel aloft
		A rope-like tornado touched down in Oklahoma over open country south and west of Hunnewell, Kansas remaining on the ground about 10 minutes while traveling southeastward 15 to 20 m.p.h. Pictures were taken of this tornado. It was visible as far away as Ponca City. The same tornado apparently was reported at 6:27 p.m. 5 miles northeast of Braman. A funnel aloft was reported also 2 miles west of Blackwell at 5:20 p.m.							
Near Geary, Blaine County	21	6:15 p.			0	0	?	0	Hail, wind
		Large hail up to the size of ice cubes was reported near and east of Geary associated with a northeastward moving thunderstorm. Some damage to roofs occurred.							
Near Mustang, Canadian County	21	7:45 p.			0	0	0	0	2 Funnels aloft
		A funnel aloft moving northeastward was spotted simultaneously by police northeast of Tuttle and by Mustang officials southwest of Mustang. It may have touched down briefly but no damage was reported.							
El Reno, Canadian County	21	8:00 p.			0	0	4	0	Wind
		Winds estimated at 60 m.p.h. caused damage to windows and roofs of several buildings and to trees and high lines in El Reno. Hail to 1/2-inch was reported also.							
Tecumseh, Pottawatomie County	21	Evening			0	0	3	0	Lightning, wind
		Lightning struck and burned an abandoned home in Tecumseh. Lightning "fire balls" were reported running along the City's power lines, according to news accounts, with only brief outages, and no major damage. Some roof and tree damage occurred with winds estimated 50 to 60 m.p.h.							
Near Eldorado, Jackson County	22	8:40 p.			0	0	0	0	Funnel aloft
		A funnel aloft was reported.							
Near Taloga, Dewey County	22	8:47 p.			0	0	0	0	Funnel aloft
		Four or five people reported a funnel cloud about 10 miles southwest and south of Taloga. No damage could be discovered by a survey.							

STORM DATA AND UNUSUAL WEATHER PHENOMENA

MAY 1973

PLACE	DATE	TIME - LOCAL STANDARD	LENGTH OF PATH (MILES)	WIDTH OF PATH (YARDS)	NO. OF PERSONS		ESTIMATED DAMAGE		CHARACTER OF STORM
					KILLED	INJURED	PROPERTY	CROPS	
OKLAHOMA (continued)									
Frederick, Tillman County	22	9:30 p.	3	800	0	0	5	0	Tornado, winds
An apparent tornado plus thunderstorm-associated strong winds demolished one home, damaged extensively roofs of 20 other homes and a country club, broke windows in the downtown area and downed power line poles. The damage path was 1/2 mile at its widest, extending from 2 miles west to north 12th street.									
Near Lawton, Comanche County	22	11:00 p. - 11:15 p.			0	1	3	0	Wind, 2 funnels aloft
Strong winds caused damage to 2 mobile homes and to a downtown Lawton building and downed numerous utility lines. Heavy rain obscured vision and caused traffic accidents. Funnels aloft were reported west of and in Lawton.									
Near Duncan, Stephens County	22	10:55 p.			0	0	0	0	Funnel aloft
A funnel aloft was reported.									
Near Konawa, Seminole County	23	Early a.m.	6	100	0	0	3	3	Tornado
A tornado touched down briefly 4 miles southwest of Konawa, cutting a 250 - 300 foot swath through large pecan trees, and knocking down some power lines. The funnel went aloft before reaching Konawa and then touched down again 1 mile northeast of Konawa.									
Near Tonkawa, Kay County	24	2:10 p.			0	0	0	0	Funnel aloft
A funnel aloft was apparently first observed southeast of Lawton and moved eastward to 6 miles southwest of Tonkawa then eastward and southward to a position south of Tonkawa at 2:51 p.m.									
Near Enid, Garfield County	24	2:40 p.			0	0	0	?	Hail
Large hail, up to 1 1/4 inches in diameter, were reported southeast of Enid.									
Lawton, Comanche County	24	4:00 p.	Short Narrow		0	0	3	0	Tornado
A small tornado was observed and heard by two persons who said it touched down briefly then lifted, carrying debris with it as it moved off to the northeast. Light damage was done to a freight company.									
Union City, Canadian County	24	4:00 p.	9	300	0	6	6	4	Tornado, 2 funnels aloft
An intense tornado touched down several miles west-northwest of Union City moving east-southeastward through the city then turning more southeastward for several miles. An estimated \$1,000,000 damage was done in the city, with 22 homes and 18 mobile homes destroyed, 20 homes with major damage and 23 homes with minor damage. Several commercial buildings and churches were heavily damaged. Farm animals were also killed and crops damaged. No deaths occurred. Six were injured, two seriously. The intensity of destruction was great. Two other funnels aloft were reported in the area.									
In and Near Oklahoma City, Oklahoma County	24	4:00p. - 5:30 p.			0	0	0	0	2 Funnels aloft
About two dozen reports of funnels aloft and tornadoes were received in the Oklahoma City metropolitan area with multiple sightings of the same event highly likely. No evidence of damage attributable to a tornado was reported. Preliminary evidence suggests that one funnel may have moved through the south part of the metropolitan area (northeast Grady County and northern Cleveland County) and another may have moved through northeast Canadian and northern Oklahoma Counties.									
Tulsa, Tulsa County	24	5:00 p.			1	2	?	0	Lightning, wind
Lightning killed a man between 2 trees, and high winds knocked down a wall being torn down, injuring two workmen and did some damage to power lines.									
Near Roff, Pontotoc County	24	6:17 p.			0	0	0	0	Funnel Aloft
A funnel aloft reported by the public about 15 miles southwest of Ada. Survey by Highway Patrol showed no damage in evidence.									
Near Copan, Washington County	26	3:00 p.	**500	100	0	3	3	0	Tornado
A tornado struck two automobiles on U.S. Highway 75 6 miles north of Copan, rolling one car over twice. It moved across the highway from west to east, knocking down 3 telephone poles, mangling fences, clipping trees, etc. Tornado struck after the weather cleared and the sun came out. The new car which rolled was totally destroyed.									
Near Broken Arrow, Tulsa County	26	3:00 p.	Short Narrow		0	0	3	0	Tornado, 2 funnels aloft
A tornado, reported to sound like "20 locomotives" touched down east of Broken Arrow striking a farm then moved to the Oak Grove Community before lifting. Two small funnels, one on each side of the main one were observed. Damage was done to a number of buildings.

					KILLED	INJURED	PROPERTY	CROPS	
OKLAHOMA (continued)									
Morris, Okmulgee County	26	3:10 p.			0	0	0	0	Funnel aloft
A funnel aloft was reported.									
Near Coweta, Wagoner County	26	3:15 p.			0	0	0	0	Funnel aloft
A funnel aloft was reported.									
Southern Hayes County	26	3:30 p.	10	60	0	0	4	0	Tornado
A tornado observed by several people touched down briefly south of Chouteau and damaged a barn, then apparently moved eastward to the Locust Grove area about 4:15 p. where damage to a trailer and to a tourist court occurred. Other damage to small buildings occurred along the path.									
Keefeton, Muskogee County	26	4:00 p.	3	500	5	25	5	0	Tornado
A tornado touched down 1/4 mile west-southwest of downtown Keefeton moving east-northeast. It cut a swath 1/4 to 1/3 of a mile wide along a 3 mile path. Eight homes were destroyed, 4 had major damage and 25 minor damage. Four mobile homes were destroyed and one suffered major damage. Fifteen farm buildings were destroyed. The tornado was described as brownish gray in color and as "box-like" and near total destruction occurred along its path.									
Near Peggs, Cherokee County	26	4:15 p.			0	0	0	0	Funnel aloft
A funnel aloft was reported.									
Northern Sequoyah County	26	4:40 p.	20	250	0	6	5	0	Tornado
A tornado touched down north of Gore and south of Lake Tenkiller dam then moved northeast striking Box, Blackgum and moving to near Marble City. Nine homes and one business were completely destroyed and 47 houses were damaged. A trailer home in Box was also destroyed. One house was taken off its foundation with no trace of it to be found. Only the refrigerator remained. Seventeen head of cattle and 10 calves were killed at one farm. An estimated 15 square miles of timberland was also destroyed. Some trees were twisted in two about 10 feet from the ground. Some leaves were reported to be driven into crunks of trees two or three inches.									
Delaware County	26	Late Afternoon			0	0	4	4	Flash flooding, large hail
Very heavy rain totaling 3.67 inches fell mostly in late afternoon at Jay and caused flooding of some homes, businesses and automobiles. Further south in the county, hail larger than golf balls fell at Colcord about 4:45 p.m. for 20 minutes, remaining on the ground until 6:30 p.m.									
Near Checotah, McIntosh County	26	8:00 p.	4	200	0	0	5	?	Tornado, 2 funnels aloft, hail, wind
A tornado and 2 funnels aloft were reported, 2 snow white and the third mud-color, and described as fingers or ropes hanging out of the clouds to (or near) the ground. Hail to the size of baseballs and strong winds were also reported.									
Southern Pittsburg County	26	8:10 p.	16	80	0	0	4	0	Tornado, 2 funnels aloft
A tornado touched down about 2 1/2 miles south of Ashland, moved northeastward to 3 1/2 miles northeast of Ashland at 8:10 p.m. and then apparently moved eastward to a point 4 miles southeast of Savanna at about 8:30 p.m. At least 2 houses and 2 mobile homes were damaged along with many trees. Two funnels aloft were observed by a number of people, moving up and down from the same cloud, one following the other by a short distance.									
Wister, LeFlore County	26	9:00 p.	Short Narrow		0	0	4	0	Tornado
A tornado moved through a portion of Wister destroying one home and one mobile home, causing major damage to one business and four homes and minor damage to scores of buildings.									
Stidham, McIntosh County	26	Evening			0	0	4	0	Wind
Strong winds associated with a thunderstorm took the roof off a home, destroyed a barn and mobile home and damaged another home and numerous sheds.									
Most of State	27				1	0	6	6	Wind
An intense spring low pressure area to the north and northeast of Oklahoma resulted in strong gusty west to northwest winds most of the day. Many areas reported winds in excess of 50 m.p.h. Maximum wind speeds of 78 p.m.h. were recorded in gusts. Considerable spotty damage was reported to drops in western sections, to trees, power lines, mobile homes, bill boards, and roofs of houses. Stop lights and burglar alarms were also affected. The high winds halted nearly all small-plane flying in much of the State. A woman traveling northward at high speed apparently lost control of her car in the strong gusty cross winds, and was killed.									
In and Near Lexington, Cleveland County	30	11:02 p.	2	60	1	3	5	0	High winds
Winds associated with outflow from a thunderstorm (but possibly due to a tornado) destroyed one mobile home in Lexington and 4 mobile homes on a farm 1 mile south and 1 mile to the east of

PENNSYLVANIA									
Washington County	10	10:30p.	2	?	0	3	4		Tornado
		In the vicinity of Claysville. Funnel cloud touching down intermittently along path 2 miles long from west to east. Buzzing sound lasting about 40 seconds heard in vicinity of tornado. Tops of trees clipped off, small buildings damaged, one camper tossed several hundred feet, one mobile home with three occupants rolled over four times. Occupants suffered minor injuries.							
Ross Township	24	Afternoon			1	0	4		Heavy rain and flash flooding
		Heavy rain during afternoon caused local flooding along Dirty's Run. Stores in area flooded for several hours. Basements in area filled with water, but no evacuation necessary. 1 man drowned, swept down steps to basement of restaurant. Major traffic jam caused by overflowing storm sewers. 1.7 inches of rain at Greater Pittsburgh International airport during the storm.							
Williamsport to South Williamsport, LYCOMING COUNTY, PENNSYLVANIA	10th	3:30PM	1.6	65	0	0	5		TORNADO
		TORNADO WAS SPANNED BY AN INTENSE SQUALL LINE WHICH DEPOSITED 1.10 INCHES OF RAIN AT WEATHER SERVICE OFFICE WILLIAMSPORT IN 20 MINUTES. TWO EYE-WITNESS ACCOUNTS VERIFIED A DEFINITE WHIRLING PATTERN TO THE DEBRIS. THE TRACK BEGAN NEAR THE WILLIAMSPORT PAPER BOX COMPANY WHICH SUSTAINED SEVERE ROOF DAMAGE. IT THEN SKIPPED ACROSS THE WEST BRANCH OF THE SUSQUEHANNA NEAR U.S. ROUTE 15 INTO SOUTH WILLIAMSPORT. IN SOUTH WILLIAMSPORT IT DEMOLISHED ONE LARGE ROOF AT THE DELVIN BLOCK COMPANY AND, AT ANOTHER PROPERTY, LIFTED THE ENTIRE ROOF AND DEPOSITED IT FAIRLY INTACT 50 FEET NORTH OF THE STRUCTURE. TOTAL ESTIMATED DAMAGE WAS OVER 50 THOUSAND DOLLARS.
